

## Insulating tube for infrared temperature sensors

THERM INSULATING

## Application

|              |                                              |
|--------------|----------------------------------------------|
| Design       | for infrared temperature sensors TWxxxx, M30 |
| Installation | thermal insulation; (TW)                     |

## Mechanical data

|           |     |     |
|-----------|-----|-----|
| Weight    | [g] | 48  |
| Materials |     | POM |

## Remarks

|               |        |
|---------------|--------|
| Pack quantity | 1 pcs. |
|---------------|--------|
