

Grinding protection for the installation of Aseptoflex
Vario welding adapters

SEALING EDGE GRINDING PROTECTION

- 1 hexagon nuts DIN 934-M12
- 2 half shell Ø 70mm
- 3 welding adapter not supplied
- 4 hemispherical cap Ø 70mm
- 5 hexagonal head screw ISO 4017-M12x50

Application		
Design		grinding protection for the sealing edge of E30528 Aseptoflex Vario welding adapters
Application		grinding of welded adapters
Mechanical data		
Weight	[g]	877.9
Materials		VA; stainless steel (304/1.4301)
Remarks		
Pack quantity		3 pcs.
