AT A GLANCE

GET NEW TECHNOLOGY FIRST
20 – 24 APRIL 2009

Further information: hannovermesse.com
WELCOME TO THE TECHNOLOGY EVENT OF 2009

The epitome of efficiency: only at HANNOVER MESSE 2009 can you find all the innovations in the industrial value chain at a single venue and under one umbrella. Take this unique opportunity to shape the future of your company. More than 6,000 exhibitors at 13 international flagship fairs will showcase a complete spectrum of solutions. Prepare to meet future challenges – for example, by enhancing the energy efficiency of your industrial processes.

Experience the wind of change: the new trade show WIND will make its debut in 2009 and focus on technologies for secure and sustainable energy supplies.

Tune into the latest trends in the Far East. Korea – the Partner Country at this year’s HANNOVER MESSE – ranks as one of the world’s leading innovators.

We wish you five action-packed days at HANNOVER MESSE 2009 – above all, new sources of inspiration, new networks and fascinating discussions with decision-makers from industry and politics. GET NEW TECHNOLOGY FIRST!

Hotline +49 180 5000689 (14 ct./min.)

Tickets can also be ordered in advance through the foreign representatives of Deutsche Messe.

Prices include VAT.

EXPERIENCE THE WHOLE WORLD OF PROMOTIONAL PRODUCTS:

PROMOTION WORLD – the International Trade Show for Promotional Products and Incentives – in Hall 18 has everything you need to build close relationships with your customers – from simple giveaways to high-quality gifts for special occasions.

www.promotion-world.de
ENERGY EFFICIENCY IN INDUSTRIAL PROCESSES (HALL 26)
Energy efficiency will be a recurrent theme throughout HANNOVER MESSE 2009. Energy-saving solutions will be on display at all 13 flagship shows. Furthermore, the special display “Energy Efficiency” in Hall 26 will present tailor-made systems and components – your passport to significant cost reductions.

GLOBAL BUSINESS FORUM (P 11)
Consisting of a congress, exhibition and matchmaking event, the Global Business Forum will provide the perfect platform for high-level cross-border networking.

HERMES AWARD (HALL 22)
Worth a total of €100,000 to the winners, the annual HERMES AWARD singles out such ground-breaking ideas which are on show to the international public for the first time. The award ceremony will take place during the official opening ceremony of HANNOVER MESSE.

JOB & CAREER MARKET (HALL 6)
This is your chance to find out more about job opportunities, internships, sponsored degree courses, etc. You’ll be able to discuss your career prospects with HR specialists from more than 50 companies and higher education institutions.

NIGHT OF INNOVATIONS (HALL 2)
Part of Research & Technology, this high-profile networking event on 20 April 2009 will attract high-ranking representatives from business, science and politics. Beginning at 6.00 p.m., exhibitors and visitors can get together in a relaxed atmosphere to discuss the impact of modern technology on industry and commerce.

ROBOCUP GERMAN OPEN 2009 (HALL 22)
Experience ground-breaking robot technology – live and in action! Teams of students and scientists will compete in the categories RoboCupSoccer, RoboCupRescue and RoboCup@Home.

TECYOU/SKILLS GERMANY (P 33, 34, 35)
The first port of call for tomorrow’s engineers and technicians. Fascinating events, guided tours and the SkillGermany careers competitions will raise awareness of technical training opportunities. Ideal for school groups and students who want to get to grips with the latest technologies, establish valuable contacts and evaluate future career perspectives.

WOMENPOWER (CONVENTION CENTER, 24 APRIL 2009)
Industries rely on the skills of their female employees. Under the heading “Careers in a globalized working world” leading experts will discuss new role models and the possibilities for reconciling careers and family commitments. This event is targeted at both men and women!

WORLD ENERGY DIALOGUE (HALL 27)
Experts from all over the globe will explore the latest options for energy generation and distribution. The program includes the presentation of the prestigious Energy Efficiency Award.

TAILOR-MADE TRAVEL AND ACCOMMODATION OFFERS

SELECTED HOTELS
These are hotels in Hannover and the surrounding area that are committed to providing the standards of accommodation and service that our trade fair visitors expect. You can find a list of participating hotels, including details of room availability, at: www.hannovermesse.de/selectedhotels

ACCOMMODATION
Via Travel2Fairs you can book hotel rooms and private accommodation at favourable rates in a wide range of different categories.

RAIL PACKAGES
These travel-plus-accommodation packages are available at competitive rates from all German railway stations.

AIR PACKAGES
If required you can book your flight, accommodation and admission ticket in a single convenient package.

ADDITIONAL SERVICES
Car rental, shuttle service, group travel arrangements, baggage service, scheduled flights, aircraft charters, etc.

WORLD ENERGY DIALOGUE (HALL 27)
Experts from all over the globe will explore the latest options for energy generation and distribution. The program includes the presentation of the prestigious Energy Efficiency Award.
INTERKAMA* (PROCESS AUTOMATION)
- Automation solutions (Halls 7/8/9)
- Field devices and components (Halls 7/8/9)
- Measuring and regulation systems (Hall 7)
- Control systems (Hall 7)
- Industrial communication (Halls 7/9/11)
- Engineering, maintenance, services (Hall 7)

Special events
- INTERKAMA* Lounge “Operational Excellence” (Hall 7)
- Wireless Automation (Hall 7)
- Clean Production (Hall 16)

FACTORY AUTOMATION
- Automation solutions (Halls 8 –11 +14 –17)
- Electrical engineering and electronics (Halls 8 –11 +14 –15)
- Electric drive systems and motion control (Halls 14/15/16)
- Industrial communication (Halls 7 –11 +14 –17)
- Mechanical engineering (Halls 15 –17)
- Driverless transport systems (Hall 22)
- Robotics in industrial applications (Halls 16/17)
- Assembly and handling (Halls 16/17)
- Sensors and industrial image processing (Halls 8/9/16/17)
- Industrial identification (Hall 17)

Special events
- Application Park, plus Automation live (Hall 17)
- Robotation Academy (Hall 17)
- Mobile Robots & Autonomous Systems (Hall 22)
- Clean Production (Hall 16)
- RoboCup German Open (Hall 22)

INDUSTRIAL BUILDING AUTOMATION
- Building automation solutions (Hall 11)
- Measuring, control and regulation systems (Hall 11)
- Applications-specific automation systems (Hall 11)
- Integrated solutions for specific industries (Hall 11)

Special events
- Layout plan

MDA
- Fluid power (hydraulics + pneumatics) (Halls 19 – 21 +23)
- Bearings (Hall 26/25)
- Electric and mechanical power transmission (Halls 24/25/27)
- Electric power transmission (Halls 14/15)

Special events
- CMS – Condition Monitoring Systems (Hall 24)
- MDA Forum (Hall 24)
- E-MOTIVE – Hybrid and Electric Drives (Hall 24)
- Water hydraulics (Hall 23)

ENERGY
- Energy transmission and distribution (Halls 11/12)
- Energy generation and supply (Halls 13/27)
- Renewable energy sources (Halls 13/27)
- Conventional energy sources (Halls 13/27)

Special events
- Energy Forum “Life needs Power” (Hall 12)
- Industry and Export Forum “Renewable Energy” (Hall 13)
- Group presentation “Contracting and CHP” (Hall 13)
- Clean Moves (Hall 13)
- Renewables Theme Park (Hall 13)
- SuperConductingCity (Hall 13)
- WORLD ENERGY DIALOGUE (Hall 27)
- Pipeline Technology Conference (CC)
- Energy Efficiency in Industrial Processes (Hall 26)

POWER PLANT TECHNOLOGY
- Thermal energy generation (Hall 27)
- Components and services (Hall 27)

Special events
- User forum “Power Plant Technology” (Hall 27)
- Group presentation “Power Plant Technology” (Hall 27)
- ConcentratingSolarPower (Hall 27)

WIND
- Plant (Hall 27)
- Components (Hall 27)
- Services (Hall 27)

DIGITAL FACTORY
- Product development (Hall 17)
- Production and process planning (Hall 17)
- Simulation (Hall 17)
- Manufacturing/automation (Hall 17)
- Process integration (Hall 17)
- Order processing (Hall 17)
- CRM/technical sales (Hall 17)
- Services (Hall 17)

Special events
- Guided Tours (Hall 17)
- RapidX (Hall 17)
- Digital Factory Start-Up (Hall 17)

SUBCONTRACTING
- Materials and components: plastics; natural/synthetic rubber; engineering ceramics; composites; metallic materials (Hall 5)
- Semi-finished goods (Hall 4/5)
- Foundry products (Hall 3)
- Non-machining processes (solid forming/sheet forming) (Hall 4)
- Machining processes (turned and milled parts) (Hall 4)
- Systems and subassemblies (Hall 4)
- Engineering, services (Hall 4)
- Joining/fastening technology (Hall 5)

Special events
- Suppliers’ Convention (Hall 4)
- System partners Mechanical Engineering/Automotive (Hall 4)
- Casting technology (Hall 3)
- Innovations Centre for Engineering Materials (Hall 5)
- Materials Forum (Hall 5)
- Material Trends, including Material Award (Hall 5)
- WeP – Value-Adding Partner ContiTech (Hall 5)

RESEARCH & TECHNOLOGY
- Basic research (Hall 2)
- Services for research and development (Hall 2)
- Technology and know-how transfer (Hall 2)
- Technology location and university marketing (Hall 2)
- Applied research: technical textiles, aerospace, materials, nanotechnology, energy, environment (Hall 2)

Special events
- Night of Innovations (Hall 2)
- tech transfer – Gateway2Innovation (Hall 2)
- Adaptronics (Hall 2)
- Textile Solutions (Hall 2)
- F+T Arena (Hall 2)
- Bionics (Hall 2)
- Practice Park (Hall 6)

MICROTECHNOLOGY
- Microtechnology (Hall 6)
- Laser technology (Hall 6)
- Micro- and nanomaterials (Hall 6)
- Nanotechnology (Hall 6)
- Semiconductor technology (Hall 6)
- Microproduction systems (Hall 6)

Special events
- Forum “Innovations for Industry” (Hall 6)
- IVAM Product Market “Micro, Nano, Materials” (Hall 6)
- Ultraprecision Manufacturing (Hall 6)
- SchwezPlano NANO (Hall 6)
- Group presentation “Lasers for Micromachining” (Hall 6)
- Nano for Industry (Hall 6)

ComVac
- Compressed air: plant and components, generation, treatment, storage, tools, applications, distribution, contracting, management (Hall 26)
- Vacuum: plant and components, pumps, measuring devices, leak detectors, drying systems, financing, consulting, services (Hall 26)
