

Screw-in adapter for process sensors

ADTR, M0, 1" NPT FEMALE

Article no longer available - archive entry

No scale drawing available

Application

Pressure rating	[bar]	16
-----------------	-------	----

Note on pressure rating	DIN 32676
-------------------------	-----------

Mechanical data

Weight	[g]	417.305
--------	-----	---------

Materials	stainless steel (1.4404 / 316L)
-----------	---------------------------------

Sensor connection	Aseptoflex
-------------------	------------

Surface characteristics Ra/Rz of the wetted parts	0.4 / 4
---	---------

Remarks

Pack quantity	1 pcs.
