| Application             |                                |     |
|-------------------------|--------------------------------|-----|
| Pressure rating         | [bar]                          | 16  |
| Measuring/setting range |                                |     |
| Probe length L          | [mm]                           | 182 |
| Mechanical data         |                                |     |
| Materials               | stainless steel (316Ti/1.4571) |     |
| Sensor connection       | Ø 6 mm                         |     |
| Process connection      | 1/2" NPT                       |     |
| Accessories             |                                |     |
| Items supplied          | Heat-conductive paste          |     |
| Remarks                 |                                |     |
| Pack quantity           | 1 pcs.                         |     |
