

## Dæmpningsmagnet

MAGNET M3.2 HARD FERRITE

## Omgivende forhold

|                      |      |           |
|----------------------|------|-----------|
| Omgivelsestemperatur | [°C] | -40...250 |
|----------------------|------|-----------|

## Mekaniske data

|                       |      |                          |
|-----------------------|------|--------------------------|
| Vægt                  | [g]  | 4                        |
| Dimensioner           | [mm] | $\varnothing 13 / L = 4$ |
| Materiale             |      | hård ferrit HF 24/23     |
| Magnetiske feltstyrke | [mT] | 85                       |

## Bemærkning

|                   |  |        |
|-------------------|--|--------|
| Emballage-enheder |  | 1 stk. |
|-------------------|--|--------|
