

# AC1096

## AS-Interface PCI card PLC

PCB PCI-Card 2 Master V3.0

| Application                        |         |                                         |
|------------------------------------|---------|-----------------------------------------|
| Application                        |         | PCI card with AS-i master functionality |
| Electrical data                    |         |                                         |
| Current consumption                | [mA]    | < 400; (5 V: 300 mA; 3,3 V: 100 mA)     |
| Max. current consumption from AS-i | [mA]    | 70                                      |
| Number of AS-i masters             |         | 2                                       |
| Interfaces                         |         |                                         |
| Communication interface            |         | PCI-Bus                                 |
| Operating conditions               |         |                                         |
| Protection                         |         | IP 00                                   |
| Tests / approvals                  |         |                                         |
| MTTF                               | [years] | 120                                     |
| Mechanical data                    |         |                                         |
| Weight                             | [g]     | 191.55                                  |
| Accessories                        |         |                                         |
| Items supplied                     |         | driver CD                               |
| Remarks                            |         |                                         |
| Pack quantity                      |         | 1 pcs.                                  |
