Werkskalibrierschein  
Factory calibration certificate

Messumformer-Typ: 75000  
 transmitter type:  
 Serien-Nr.: 1100000  
 serial no.:  
 Messbereich: 1.000 °C  
 temperature range:  
 Ausgangssignal: 1.000  
 output:  
 Genauigkeit: 1.1000000000  
 accuracy:  
 Kalibrierdatum: 11.00.00  
 date of calibration:

Auftragsnummer: 110000  
 job no.:  
 Referenzgerät: 110000  
 reference unit:  
 Prüfnormal, Temperatur: 110000  
 testing device, temperature:  
 Serien-Nr.: 110000  
 serial no.:  
 PTB-Zertifikat: 110000  
 PTB certificate:  
 Umgebungtemperatur: 110000  
 ambient temperature:

100 °C	200 °C	300 °C
1.000	1.000	1.000
1.000	1.000	1.000
1.000	1.000	1.000

The calibration certificate is valid for the specified measurement conditions and does not include the  
 transmitter as a separate unit. In addition, the transmitter is not calibrated against the PTB standard.  
 The certificate is valid for the specified temperature range. The transmitter is not calibrated against the  
 transmitter standard of PTB.  
 The accuracy of the transmitter is only valid for the specified conditions of the transmitter and does not  
 include the transmitter as a separate unit. The transmitter is not calibrated against the PTB standard.  
 The accuracy of the transmitter is only valid for the specified conditions of the transmitter and does not  
 include the transmitter as a separate unit.  
 The accuracy of the transmitter is only valid for the specified conditions of the transmitter and does not  
 include the transmitter as a separate unit.

Remarks: Please contact us for more information and to order the transmitter.  
 The certificate is only valid for the specified conditions and does not include the transmitter.  
 The accuracy of the transmitter is only valid for the specified conditions of the transmitter and does not  
 include the transmitter as a separate unit.

Remarks

Remarks

The calibration certificate must be ordered in conjunction with a sensor.  
 The corresponding sensor is delivered along with the calibration certificate.  
 Subsequent orders are only possible if the sensor is in a clean condition upon return.  
 In the internet version of the data sheet a sample certificate is stored in the tab "Downloads".
