BACKPLANE MASTER FOR SLC 5

No scale drawing available

Application	
Application	AS-i master for SLC 5 PLC platform
Electrical data	
Operating voltage [V]	30 DC; (AS-i)
Current consumption [mA]	5 V DC: 450 mA
Number of AS-i masters	2
Interfaces	
Communication interface	USB
Operating conditions	
Ambient temperature [°C]	0...50
Storage temperature [°C]	-25...70
Protection	IP 20
AS-i classification	
AS-i version	3.0
Mechanical data	
Weight [g]	566.99
Displays / operating elements	
Display	LED
Remarks	
Remarks	Configuration is handled through Allen-Bradleys' RSLogix software.
Pack quantity	1 pcs.
