# **SBU323**

### Flow sensor with integrated backflow prevention

| Product characteristics      |       |  |  |  |  |  |
|------------------------------|-------|--|--|--|--|--|
| Number of inputs and outputs |       | Number of digital outputs: 1             |  |  |  |  |
| Process connection           |       | G 1/2                                    |  |  |  |  |
| Application                  |       |  |  |  |  |  |
| Application                  |       | machine tools; Internal cooling of drill |  |  |  |  |
| Medium temperature           | [°C]  | 060                                      |  |  |  |  |
| Pressure rating              | [bar] | 200                                      |  |  |  |  |
| Pressure rating              | [MPa] | 20                                       |  |  |  |  |
| Electrical data              |       |  |  |  |  |  |
| Operating voltage            | [V]   | 1030 DC; (to SELV/PELV)                  |  |  |  |  |
| Current consumption          | [mA]  | < 15                                     |  |  |  |  |
| Protection class             |       | III                                      |  |  |  |  |
| Reverse polarity protection  |       | yes                                      |  |  |  |  |
| Inputs / outputs             |       |  |  |  |  |  |
| Number of inputs and output  | ts    | Number of digital outputs: 1             |  |  |  |  |
| Outputs                      |       |  |  |  |  |  |
| Total number of outputs      |       | 1  |  |  |  |  |

## **SBU323**

### Flow sensor with integrated backflow prevention

| Remarks       |   |  |  |
|---------------|---|--|--|
| Remarks       | Temperature changes slightly affect the specified standard settings for coolants. |  |  |
|               | For oils, the settings are influenced by temperature and viscosity.               |  |  |
|               | Recommendation Use 200 micron filtration  |  |  |
|               | All data refer to coolants (20 °C).   |  |  |
| Pack quantity | 1 pcs.  |  |  |

#### **Electrical connection**

Connector: 1 x M12; coding: A
