

Grinding protection for the installation of Aseptoflex
Vario welding adapters

SEALING EDGE GRINDING PROTECTION

- 1 hexagon nuts DIN 934-M12
- 2 half shell Ø 70mm
- 3 welding adapter not supplied
- 4 hexagonal head screw ISO 4017-M12x50

Application

Design	grinding protection for the sealing edge of E30529 and E30531 Aseptoflex Vario welding adapters
Application	grinding of welded adapters

Mechanical data

Weight	[g]	816.7
Materials	VA; stainless steel (304/1.4301)	

Remarks

Pack quantity	3 pcs.
