| Application             |                                |    |
|-------------------------|--------------------------------|----|
| Pressure rating         | [bar]                          | 16 |
| Measuring/setting range |                                |    |
| Probe length L          | [mm]                           | 82 |
| Mechanical data         |                                |    |
| Materials               | stainless steel (316Ti/1.4571) |    |
| Sensor connection       | Ø 6 mm                         |    |
| Process connection      | 1/2" NPT                       |    |
| Accessories             |                                |    |
| Items supplied          | Heat-conductive paste          |    |
| Remarks                 |                                |    |
| Pack quantity           | 1 pcs.                         |    |
