

# E35068

## Cooling jacket for infrared temperature sensors

COOLING JACKET

Application		
Design		for infrared temperature sensors TWxxxx, M30
Installation		sensor cooling (air or water); (TW)
Pressure rating	[bar]	6
Mechanical data		
Weight	[g]	493.5
Materials		stainless steel (304/1.4301)
Remarks		
Pack quantity		1 pcs.
