E30018

Clamp fitting for process sensors

Design For temperature sensors Application For industrial applications Installation Clamp fitting Installation Clamp fitting Installation			
Application for industrial applications Installation Clamp fitting Media liquids and gases Pressure rating [bar] 1 Tests / approvals Pressure Equipment Directive A possible classification to PED depends on the application and has to be carried out by the user / operator. Safety instructions The compatibility between medium and product material has to be checked in all applications. Mechanical data Weight [g] 87.3 Materials stainless steel (303/1.4305); FKM Sensor connection Ø 6 mm / Ø 8 mm / Ø 10 mm Process connection threaded connection G 1/2 Accessories Items supplied sealings Remarks	Application		
Installation Clamp fitting Media Iiquids and gases Pressure rating [bar] Tests / approvals Pressure Equipment Directive A possible classification to PED depends on the application and has to be carried out by the user / operator. Safety instructions The compatibility between medium and product material has to be checked in all applications. Mechanical data Weight [g] 87.3 Materials Stainless steel (303/1.4305); FKM Sensor connection Ø 6 mm / Ø 8 mm / Ø 10 mm Process connection Accessories Items supplied Sealings Remarks	Design		for temperature sensors
Media liquids and gases Pressure rating [bar] 1 Tests / approvals Pressure Equipment Directive A possible classification to PED depends on the application and has to be carried out by the user / operator. Safety instructions The compatibility between medium and product material has to be checked in all applications. Mechanical data Weight [g] 87.3 Materials Stainless steel (303/1.4305); FKM Sensor connection Ø 6 mm / Ø 8 mm / Ø 10 mm Process connection threaded connection G 1/2 Accessories Items supplied sealings Remarks	Application		for industrial applications
Pressure rating [bar] Tests / approvals Pressure Equipment Directive A possible classification to PED depends on the application and has to be carried out by the user / operator. Safety instructions The compatibility between medium and product material has to be checked in all applications. Mechanical data Weight [g] 87.3 Materials stainless steel (303/1.4305); FKM Sensor connection Process connection ### Accessories Items supplied Remarks #### A possible classification to PED depends on the application to PED depends on the applicat	Installation		Clamp fitting
Tests / approvals Pressure Equipment Directive A possible classification to PED depends on the application and has to be carried out by the user / operator. Safety instructions The compatibility between medium and product material has to be checked in all applications. Mechanical data Weight [g] 87.3 Materials Stainless steel (303/1.4305); FKM Sensor connection Ø 6 mm / Ø 8 mm / Ø 10 mm Process connection threaded connection G 1/2 Accessories Items supplied sealings Remarks	Media		liquids and gases
Pressure Equipment Directive A possible classification to PED depends on the application and has to be carried out by the user / operator.
