

ISO calibration certificate for flow sensors

ISO-Kalibrierung SD

Mechanical data

Weight [g] 5

Remarks

Remarks

- The calibration certificate must be ordered in conjunction with a sensor.
- The corresponding sensor is delivered along with the calibration certificate.
- The calibration certificate is in two languages (German/English).
- Subsequent orders are only possible if the sensor is in a clean condition upon return.
- In the internet version of the data sheet a sample certificate is stored in the tab "Downloads".
