

# E11803

## Damping magnet

MAGNET M4.1/HARD F.STAINLESS

### Operating conditions

|                     |      |           |
|---------------------|------|-----------|
| Ambient temperature | [°C] | -25...250 |
|---------------------|------|-----------|

### Mechanical data

|                         |      |                                                        |
|-------------------------|------|--------------------------------------------------------|
| Weight                  | [g]  | 79.8                                                   |
| Dimensions              | [mm] | Ø 40 / L = 13                                          |
| Materials               |      | hard ferrite HF 24/23; stainless steel (1.4571/316Ti ) |
| Magnetic field strength | [mT] | 80                                                     |

### Remarks

|               |        |
|---------------|--------|
| Pack quantity | 1 pcs. |
|---------------|--------|
