

## Lens attachment for fibre optics

LENS ATTACHMENT M4

## Application

|        |                               |
|--------|-------------------------------|
| Design | for through-beam fibre optics |
|--------|-------------------------------|

## Operating conditions

|                     |      |           |
|---------------------|------|-----------|
| Ambient temperature | [°C] | -40...230 |
|---------------------|------|-----------|

## Mechanical data

|                    |      |                                 |
|--------------------|------|---------------------------------|
| Weight             | [g]  | 2.12                            |
| Dimensions         | [mm] | M4 / L = 12                     |
| Thread designation |      | M4                              |
| Materials          |      | aluminium black anodised; glass |

## Remarks

|               |        |
|---------------|--------|
| Pack quantity | 1 pcs. |
|---------------|--------|
