

## SYSTEM COMPONENT REFL BOLT

Technical drawing of a mechanical part, showing multiple views and dimensions:

- Top View:** Shows a rectangular part with a total width of 57 and a total height of 126. The top edge has a horizontal section of 28,5. The bottom edge has a horizontal section of 21 and a vertical section of 34. A circular feature with a diameter of  $\varnothing 4,5$  is located at the bottom center. The part is symmetrical about a vertical dashed line.
- Front View:** Shows a profile with a total height of 126. The top edge has a horizontal section of 28,5. The bottom edge has a horizontal section of 21 and a vertical section of 34. A circular feature with a diameter of  $\varnothing 4,5$  is located at the bottom center. The part is symmetrical about a vertical dashed line.
- Side View:** Shows a profile with a total width of 65 and a total height of 3. The top edge has a horizontal section of 17 and a vertical section of 3,3. The bottom edge has a horizontal section of 4,5 and a vertical section of 3,3. A circular feature with a diameter of  $\varnothing 4,5$  is located at the bottom center. The part is symmetrical about a vertical dashed line.
- End View:** Shows a profile with a total width of 27 and a total height of 22. The top edge has a horizontal section of 17 and a vertical section of 3,3. The bottom edge has a horizontal section of 4,5 and a vertical section of 3,3. A circular feature with a diameter of  $\varnothing 4,5$  is located at the bottom center. The part is symmetrical about a vertical dashed line.
- Bottom View:** Shows a profile with a total width of 29,8 and a total height of 16. The top edge has a horizontal section of 17 and a vertical section of 3,3. The bottom edge has a horizontal section of 4,5 and a vertical section of 3,3. A circular feature with a diameter of  $\varnothing 18$  is located at the bottom center. The part is symmetrical about a vertical dashed line.

Design	clamp mounting, for reflector, 126 x 55 mm
--------	--

Type of mounting	Mounting rod; (Ø 18 mm)
------------------	-------------------------

Materials	fixture: stainless steel (1.4571/316Ti ); Clamp: diecast zinc
-----------	---

Pack quantity	1 pcs.
---------------	--------
