## Welding mandrel for process connections

WELD MANDREL ADAPT G1

### Mechanical data

|                                                   |     |                         |
|---------------------------------------------------|-----|-------------------------|
| Weight                                            | [g] | 490.5                   |
| Materials                                         |     | 2.0401 (brass / CW614N) |
| Process connection                                |     | G 1                     |
| Surface characteristics Ra/Rz of the wetted parts |     | 10                      |

### Remarks

|               |  |        |
|---------------|--|--------|
| Pack quantity |  | 1 pcs. |
