

Magnetic mount for vibration sensors

MAGNETIC MOUNT 1/4" UNF 28 VIBRATION

Application

Design for efector octavis

Operating conditions

Ambient temperature [°C] -40...80

Mechanical data

Weight [g] 157.6

Materials magnet: neodymium nickel-plated; steel galvanised; ;

Sensor connection 1/4" - 28 UNF internal thread

Pull strength [N] 390

Remarks

Pack quantity 1 pcs.
