

E35010

Thermowell for temperature sensors

THERMOWELL D10/G1/2/L=100

Application

Design	for temperature sensors EL = 100 mm
Pressure rating [bar]	16

Measuring/setting range

Probe length L [mm]	82
---------------------	----

Mechanical data

Weight [g]	128.8
Materials	stainless steel (1.4404 / 316L)
Sensor connection	G 1/2 Ø 10 mm
Process connection	G 1/2

Remarks

Pack quantity	1 pcs.
