# Flow sensor for connection to an evaluation unit

STR14ABA/US-100-H

# Article no longer available - archive entry 43 6 24 10,5

| Product characteristics       |         |                        |
|-------------------------------|---------|------------------------|
| Process connection            |         | G 1/4 external thread  |
| Application                   |         |                        |
| Application                   |         | high-temperature range |
| Media                         |         | Liquids; Gases         |
| Medium temperature            | [°C]    | -2580                  |
| Pressure rating               | [bar]   | 30                     |
| Liquids                       |         |                        |
| Application                   |         | high-temperature range |
| Medium temperature            | [°C]    | -2580                  |
| Gases                         |         |                        |
| Medium temperature            | [°C]    | -2580                  |
| Electrical data               |         |                        |
| Connection to control monitor |         | VS 0100                |
| Measuring/setting rang        | е       |                        |
| Liquids                       |         |                        |
| Setting range                 | [cm/s]  | 3300                   |
| Greatest sensitivity          | [cm/s]  | 360                    |
| Gases                         |         |                        |
| Setting range                 | [cm/s]  | 51500                  |
| Accuracy / deviations         |         |                        |
| Temperature gradient          | [K/min] | 15                     |
| Response times                |         |                        |
| Response time                 | [s]     | 110                    |
|                               |         |                        |

### Flow sensor for connection to an evaluation unit

STR14ABA/US-100-H

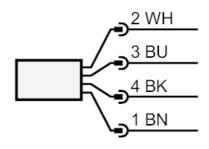

| Liquids              |     |                                |
|----------------------|-----|--------------------------------|
| Response time        | [s] | 110                            |
| Gases                |     |                                |
| Response time        | [s] | 110                            |
| Operating conditions |     |                                |
| Protection           |     | IP 67                          |
| Mechanical data      |     |                                |
| Housing              |     | threaded type                  |
| Materials            |     | stainless steel (1.4305 / 303) |
| Process connection   |     | G 1/4 external thread          |
| Remarks              |     |                                |
| Pack quantity        |     | 1 pcs.                         |

# **Electrical connection**

Connector: 1 x M12; coding: A; Maximum cable length: 100 m
