

ISO-Kalibrierung SD

Remarks	the ISO calibration certificate is not recognised according to the EA MLA (Multilateral Agreement) and is therefore considered as not traced.
	The calibration certificate must be ordered in conjunction with a sensor.
	The corresponding sensor is delivered along with the calibration certificate.
	The calibration certificate is in two languages (German/English).
	Subsequent orders are only possible if the sensor is in a clean condition upon return.
	In the internet version of the data sheet a sample certificate is stored in the tab "Downloads"
