SET E12517 + E12526

- 1 Target pucks for valve actuators E12517
- 2 Spacer for target puck E12526
- 3 Mounting screw M6 x 25 mm

Application	
Design	for mechanical interfaces to pneumatic actuators or manually-operated valves, for mechanical interfaces to VDI/VDE 3845
Mechanical data	
Weight	[g] 76.5
Target puck diameter	[mm] 53
Hole spacing	[mm] 80
Shaft height of valve drive	[mm] 20
Аксессуары	
Items supplied	Target pucks for valve actuators:, E12517
	Spacer for target puck:, E12526
Remarks	
Remarks	For further information please see the operating instructions.
