

E30449

Magnetic mount for vibration sensors

MAGNETIC MOUNT 1/4" UNF 28 VIBRATION

Application

Design

for efector octavis

Operating conditions

Ambient temperature

[°C]

-40...80

Mechanical data

Weight

[g]

157.6

Material

magnet: neodymium nickel-plated; steel galvanized; ;

Sensor connection

1/4" - 28 UNF Internal thread

Pull strength

[N]

390

Remarks

Pack quantity

1 pcs.
