U71003

AS-Interface gateway

BACKPLANE MASTER-COMPACTLOGIX

No scale drawing available

Application	
Application	ASI master for Compactlogix and Micrologix 1500 PLC platforms

Electrical data		
Operating voltage	[V]	30 DC; (AS-i)
Current consumption	[mA]	5 V DC: 450 mA; AS-i: 100 mA
Number of AS-i masters		1

Interfaces	
Communication interface	RS232

RS232	
Number of R232 interfaces	1
Transmission rate	9600...115200 Baud
Type of connector	RJ11
Usage type	Programming

Operating conditions		
Ambient temperature	[°C]	0...55
Storage temperature	[°C]	-25...85
Protection		IP 20

AS-i classification	
AS-i version	3.0

Mechanical data		
Weight	[g]	226.796

Displays / operating elements	
Display	LED display

Remarks	
Remarks	Configuration is handled through Allen-Bradleys' RSLogix software.
Pack quantity	1 pcs.
