

UT0028

Thermowell for temperature sensors

THERMOWELL, TN, 1/2"NPT, 27MM

Application

Installation	TN
Pressure rating [bar]	16

Measuring/setting range

Probe length L [mm]	27
---------------------	----

Mechanical data

Weight [g]	45.359
Material	stainless steel (1.4401 / 316)
Sensor connection	M18 x 1,5
Process connection	1/2" NPT

Accessories

Accessories (optional)	heat conductive paste:, 700692
------------------------	--------------------------------

Remarks

Pack quantity	1 pcs.
